RULES AND REGULATIONS

OBTAIN COPY FOR YOUR RECORDS

Once you have completed and submitted your application with all the correct documentation you will be notified via email with denial or acceptance status by: June 20th, 2026.

➤ **Only ONE booth per concession owner**

If you own different businesses selling different products and turn in an application for each, only one may be accepted. This is done to make the event fair to each vendor.

➤ **Products Sold MUST be Family/Friendly**

All items sold at the Norco Fair must be appropriate for a family friendly event and MUST be listed on the product form you submit. Any product not listed on your product form is NOT permitted to sale at the event. Failure to follow this policy will result in the vendor being asked not to return WITH NO REFUND. No ALCOHOL is to be sold by vendors. While application is reviewed Vendor Chairs may ask that a sale item be removed from your menu. This is done to keep duplicate sell items to a minimum of two. Drink items are the only items that we permit two or more vendors to sell.

➤ **Must abide by rules/regulations set by The Department of Health**

You must have a RIVERSIDE COUNTY Health Permit. Other county permits will NOT be accepted, as this event is held on city property and these requirements are to be abided by. NO EXCEPTIONS.

➤ **Must abide by rules and regulations set by State of California Fire Prevention Bureau**

Attached you will find the fire regulations that you are to sign, complete and turn in with your application. By signing you understand that these regulations are to be always complied with throughout the event. All vendors are subject to Fire Inspection on Friday September 4th. For food vendors ANY booth/truck that handles grease is to have a current tagged Class K fire extinguisher AND a 2-A 10-BC fire extinguisher. NO EXCEPTIONS!

➤ **Check In**

You will be allotted a designated time for arrival of set up based on your location (this time slot will be given to you VIA email). This is done to maintain an orderly set up. You will have **45 MINUTES** to **drop** off your items at the booth location. You will have approximately from your designated load in time till 11pm on Thursday September 3rd, 2026, to complete set up. If you cannot set up the day before opening of the Fair, you will have from 10am – 1:45pm on Friday to complete your booth set up.

➤ **Security**

Security will conduct a “sweep” to remove all persons from the Fair Grounds at midnight each night. Security is not provided for individuals. There will be security present around the clock throughout the fairgrounds. If an issue is to arise, like theft, fighting, etc.. You are to notify them **IMMEDIATELY**. Not after the fact. The Norco Fair Committee is not responsible for losses of any kind. Vendor agrees to obtain ANY and ALL additional insurance deemed necessary to cover potential losses.

➤ **Vendor Meeting**

There will be a vendor meeting held 1-2 weeks prior to the fair. This is NOT mandatory. However, this is our way of making sure as many vendors are on the same page as possible beforehand. This is a meeting where we go over rules, you can clarify or ask any questions you may have in person. You will also be given your vendor passes and parking passes.

➤ **Staffing of Booth**

Vendor agrees to ensure their booth is staffed, supplied and open during ALL operational hours of the fair. This means ready to sell at the time gates open until closing. If left unstaffed you understand the risks that come with doing so and you will NOT hold the Norco Fair Committee at fault. You must get permission to close your booth early during operational hours of the fair from either Izzy or Sarah NO EXCEPTIONS.

➤ **Ice**

Ice is available for sale to all vendors. There will be a set price for ice per bag. There will be a designated team that will be checking on vendors throughout the fair's hours of operation to provide ice. You will be given cards that we will use to keep track of the number of bags the vendor uses. Your “ice bill” MUST be paid in full by the time you leave Monday. You will be expected to pay for bags upon delivery each time in CASH. Price per bag will be given once we get closer to the Fair.
